THANK GOD FOR THE FACULTY!

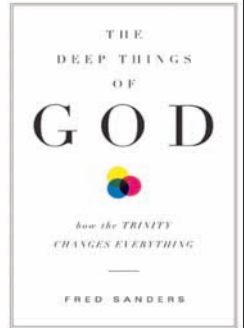

You get what you pay for! That adage is certainly not true for the students at LABTS. They pay \$50.00 per semester and receive much more than that from a faculty which has been well-prepared to teach these students the wonderful word of God. Each of the faculty members, except one, has earned a college degree. Every member of the faculty has a Masters degree. Two have earned a Masters of Art (M.A.), another has been awarded a Masters of Ministry (M.Min.), nine have received a Masters of Divinity (M.Div.), and one will graduate with his M.Div. in May. The Masters of Theology (Th.M.) has been earned by five different teachers. Six of the men who currently teach have an earned doctorate, either a Doctor of Theology (ThD) or a Doctor of Philosophy (PhD).

More importantly, the LABTS Faculty is serving the Church and Christian schools of

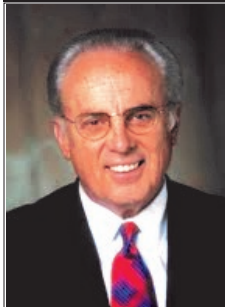

higher learning. Many of these men are pastors. Some are professors who teach at Azusa Pacific University, Biola University, The Master's College, and The Master's Seminary. Their ministry is not restricted to the greater L.A. area. In 2010, faculty members travelled to Africa, the Dominican Republic, Fiji, and Haiti to serve the Lord.

The Deep Things of God by faculty member Dr. Fred Sanders was published in the latter part of 2010. This important book on the Trinity has been well-received in the Evangelical community.

Thank God for these men who invest in the students by teaching them God's word!

A LITTLE KNOWN FACT

Did you know that the father of John MacArthur (Pastor of Grace Community Church; President of The Master's College and The Master's Seminary) was the commencement speaker at one of the early Los Angeles Bible Training School graduations?

The late Dr. Jack MacArthur delivered the Baccalaureate Sermon for the Class of 1967. At the time he was the pastor of Calvary Bible Church of Burbank, California. He was also the founder of the Voice of Calvary Television Broadcast on Channel 13, and had sponsored many rural evangelism ministries.

LABTS has a rich tradition!
